To address the need of manufacturing top class and finest quality Porcelain Tableware, which facilitates an ideal One-stop sourcing window for well-known Global Companies and Brands, and to meet the challenging dynamics of the changing times, PARAGON Ceramic started its operation in 2010 at Gazipur, on the outskirts of Dhaka. Professionalism, resilience, hard-work and dedication, are the guiding pillars of PARAGON's declared roadmap towards adding value and reinforcing our National export led growth, and also an impetus to PARAGON, as is manifested by the ever increasing prime addresses in the PARAGON clientele portfolio. PARAGON is a totally integrated project with it's state-of-the-art production lines, ETP Plant, Decal Plant, Modeling Plant, Captive Power Generation Facility, Deep Tube well System, and Carton Unit, manned by highly skilled and motivated team, producing about 14 Million pieces of high grade Porcelain Tableware per year. Please visit PARAGON to view what is new on the Tabletop horizon.
